Choose how you join

OPTION A

Join live in Tübingen

and stay for the full Welcome Week

Tübingen 30.11.–3.12. → **Darmstadt 3.–4.12.**
The Welcome Day is the first day of that week.

OPTION B

Stay at your home site

and join only the Welcome Day, hybrid

In person with your local ELIZA colleagues,
connected live to Tübingen.

What to expect

The Welcome Day is about arriving, belonging and connecting. It helps new students feel at home in ELIZA, especially those who are new to Germany, and sparks first connections with peers across all sites. The programme opens with a few words of welcome and short stories from ELIZA alumni that show what the programme makes possible. In the evening, participants in Tübingen explore the city together, getting to know the place and each other.
